A Letter from Mayor Dale Oppermann

Greetings Jeffersonians,

2021 is going to be an exciting time for the City of Jefferson. One thing that a global pandemic taught us was the value of going outside! I encourage you to take some time to visit our newest park Rock River Landing Park, which is a partnership with Jefferson County. We are excited to have a new boat launch, kayak launch and docking areas north of the dam.

An exciting project that you will see taking shape this summer is the development of the conservancy at the former Meadow Springs Golf Course. This project will feature an asphalt walking trail and many native plant areas. This will be a gem in the middle of our community!

We are so fortunate to have so many opportunities during the Summer months to connect with community and celebrate the season. Join your friends and neighbors at Jefferson Family Aquatic Center or, take in a movie with your family during our Movies in the Park. Enjoy a quiet Sunday afternoon picnic down at Rotary Park, or grab your kids and their bats and head to Riverfront Park for some fun. So, get out and celebrate the season with friends and family here as "We're Going Outside!"

My very best wishes to you and yours for a safe, happy, and memorable summer.

I'll see outside!
Mayor Dale Oppermann

We're going outside.

A TRIBUTE THAT GROWS

The purpose of this program is to encourage the purchase of trees as a means of gifting or paying tribute to individuals, groups, or occasions, such as births, anniversaries, retirements, graduations, weddings, holidays, and memorials. Citizens and businesses participating in the program not only leave a living, growing legacy for future generations; they assist in beautifying the City and adding to the benefits of the Urban Forest. The City will purchase, deliver, and plant each tree.

A plaque will be purchased and installed with your custom message for trees planted in a City Park (no plaque for boulevard trees). Each Tribute Tree cost is \$300. The fee is tax deductible.
